

Connecticut Valley School of Woodworking

Tool List Rococo Carving with Al Breed

You will need a number of carving tools to successfully complete the carving for this class. The numbers correspond to the Pfeil "Swissmade" carving tools carried by Woodcraft. The Manchester Woodcraft offers a 10% discount on these if you are buying them for the class. Please mention that you are enrolled in the class in order to receive that discount. Do not hesitate to call or e-mail me if you have any questions.
