

# Connecticut Valley School of Woodworking

Greetings:

You are signed up for the upcoming class: "Using Wooden Molding Planes with Planemaker, Matt Bickford".

Class is from 9:30 – 5:00pm both days. The doors will be open at 9:00am. Please park in the back of the school. When you arrive please check in at the front desk in the Woodcraft store (in front of the school). Materials for this class are \$24.00 and should be paid when you check in at the front desk.

As this is a hands-on class, you should plan on bringing the following tools to class:

A small hammer with a plastic , leather or brass head (the school has plenty of these if you do not have one)  
A small square  
Small bevel gauge  
Circle template

I am looking forward to a great class. See you then.

Bob Van Dyke  
Director  
Connecticut Valley School of Woodworking
